

India

The size, clamor and diversity of India are the things that strike anyone coming to this country for the first time, but anyone, who loves to delve and thrive into the most elaborate and rewarding journeys on land, India is the best option.

It is common for any newcomer to develop intimate passion and a unique sense of liking towards this country. You can enjoy the ethnic culture, classical monuments, beautiful coasts and mystic deserts in the various Tours to India.

Tibet

'Shangri La', 'the Roof of the World' - locked away in its Himalayan fortress, Tibet offers fabulous monastery sights, breathtaking high-altitude treks, stunning views of the world's highest mountains and one of the most likeable peoples you'll ever meet, a trip here will be memorable, fascinating, even life-changing - but also a sobering experience. Great explorers & adventurers of the century have ventured into this holy land rendered inaccessible by the hostile natural conditions & bandits that waylaid them on their journeys through the Himalayas.

Bhutan

The kingdom of "thunder dragon" it is wonderful to explore take in the culture and science delights. It has spectacular mountain terrain, flora fauna as well as ancient Buddhist monasteries. It is known as relatively unexplored pockets of Asia.

As a purely Buddhist country, it has a rich & unique culture, tradition & way of life which still remains pristine. It is, therefore, important to plan well ahead if you wish to visit Bhutan.
